The Book of Love and Creation Paul Selig

This major new work of channeled literature shows listeners how to develop their own intuitive abilities and continues the program of self-development begun in Paul Selig's popular previous work, *I Am the Word*.

In this bold, bracing, and tremendously practical new work of spiritual psychology, author and medium Paul Selig takes the channeled teachings begun in his acclaimed I Am the Word into dramatic new territory. In this fresh revelation, the invisible teachers who speak through Selig actually instruct readers on how to develop their own powers of intuition, clairvoyance, and inner knowing.

The Book of Love and Creation simultaneously helps listeners develop as spiritual beings within, while growing into increasingly capable, resilient, and confident individuals amid the demands of outer life. Filled with meditations, exercises, psychological insights, and affirmations, *The Book of Love and Creation* immediately produces change in the life of every dedicated person who approaches it. Perfect for returning fans and newcomers alike, the audiobook is an extraordinary experience in a new body of channeled wisdom that is attracting listener across the world.
