Tintin

Jean-Marc Lofficier, Randy Lofficier

Tintin Jean-Marc Lofficier, Randy Lofficier
An updated edition just in time for Steven Spielberg's animated film *The Adventures of Tintin*, premiering December 23, 2011, produced by Peter Jackson and starring Daniel Craig, Simon Pegg, and Jamie Bell as Tintin

The silhouette of Tintin—a young man wearing golf pants, running with a white fox terrier by his side—is easily one of the most recognizable visual icons of the modern world. In fact Tintin is nine years older than Superman and 10 years older than Batman, having first appeared in Belgium in 1929. This fully revised and expanded edition of this popular pocket-sized reference book offers a comprehensive and critical overview of the Tintin series. Starting with the character's humble origins in the children's supplement of a Belgian Catholic newspaper, the authors track Tintin's development and success throughout the decades, including the stormy World War II years. Each book is analyzed in detail, both in the context of the series, and in its larger framework: that of the comic's medium and of society in general. The authors also look at the massive industry that has developed around the figure of Tintin, the trivia, the anecdotes, the movies and television series, and the multitude of Tintin spin-offs.

From reader reviews:

Caroline Petrie:

Throughout other case, little folks like to read book Tintin. You can choose the best book if you love reading a book. As long as we know about how is important the book Tintin. You can add understanding and of course you can around the world by the book. Absolutely right, because from book you can learn everything! From your country until eventually foreign or abroad you may be known. About simple point until wonderful thing you are able to know that. In this era, we could open a book or searching by internet gadget. It is called e-book. You may use it when you feel bored stiff to go to the library. Let's learn.

Conrad Degregorio:

The knowledge that you get from Tintin is the more deep you digging the information that hide inside the words the more you get thinking about reading it. It doesn't mean that this book is hard to understand but Tintin giving you thrill feeling of reading. The author conveys their point in certain way that can be understood through anyone who read this because the author of this book is well-known enough. This book also makes your vocabulary increase well. Therefore it is easy to understand then can go along with you, both in printed or e-book style are available. We advise you for having this kind of Tintin instantly.

David Colon:

Typically the book Tintin will bring that you the new experience of reading a new book. The author style to spell out the idea is very unique. In case you try to find new book to study, this book very suitable to you. The book Tintin is much recommended to you to read. You can also get the e-book through the official web site, so you can quicker to read the book.

James McFarland:

This Tintin is great e-book for you because the content which can be full of information for you who have always deal with world and possess to make decision every minute. This specific book reveal it information accurately using great plan word or we can state no rambling sentences inside it. So if you are read that hurriedly you can have whole facts in it. Doesn't mean it only gives you straight forward sentences but challenging core information with wonderful delivering sentences. Having Tintin in your hand like obtaining the world in your arm, details in it is not ridiculous 1. We can say that no book that offer you world in ten or fifteen second right but this reserve already do that. So , this can be good reading book. Hey Mr. and Mrs. active do you still doubt which?
