But their relationship suffers a sudden change when Mari announces that she's getting married—to an ex-host and aspiring actor who's younger than Yukiko. Yukiko, convinced he's out to fleece her mom, can't stand to stay in the house and decides to move in with her boyfriend. Fumi Yoshinaga weaves together the lives of Yukiko, a thirty something salary woman, and her friends in five short stories, exploring the various relationships women have with all the skill and elegance she is known for.
