#Boss (The Empire Series) (Volume 3) Nicole Hite
As Editor in Chief of Empire Magazine, Vivienne Harper is the heart of the publication. Her no-nonsense attitude for quality work may even label her as a bitch by some. As a child growing up with three other siblings, Viv was no stranger to clawing and scratching her way to the top in order to receive the recognition she deserved. As she grew older, it would take a bulldozer to knock her off her game. That is, until CEO Luca Manning appeared in her office one day. Questioning whether Luca's visit from parent company, Airlon, is under false pretenses, Vivienne is naturally skeptical of his surprise visit. Luca's present goals seem to have little to do with work and everything to do with clouding Vivienne's judgment. Will Vivienne be able to resist Luca's charm, or will she give in to his aggressive needs? Perhaps letting the boss take care of business isn't such a bad thing after all. Will Luca show her who the read #BOSS is?
