Host: "All I want is a life. ...My own life!" - Host Erin Lee
Two arms, two legs, ten fingers, ten toes. One brain, seven alter egos and one host. Sometimes, the numbers just don’t add up. After more than thirty years in a mental hospital, dissociative identity disorder patient Lola Murray thought she’d finally silenced the voices. But it doesn’t take long for Lola to realize her alters are back. This time, they refuse to be silenced. After months of lying dormant, Lola’s seven alters are determined to be heard by the world. Will Lola be strong enough to reclaim her life? Or, will she once again allow her alters to take charge?
