Little White Lies Stevie MacFarlane
Maggie O'Malley Cassidy has a problem. Well, actually several problems. She's a widow, raising three children and trying to make ends meet. Well, if the ends didn’t exactly meet, at least they got close enough to wave to each other. She has the unfortunate habit of skirting the truth now and then, not really a problem unless she got caught, but still a very tiny character flaw that she planned to work on just as soon as she got a free minute. But by far, her biggest problem was Nicholas Kord who has just found out that her oldest son, Jason, is also his only son. I mean really, who would have thought he'd show up after fifteen years and go all paternal on a child he hadn't even known existed. What were the odds of that coming back to bite her in the ass? Nicholas Kord has his life on track; he is an accomplished attorney, and considered his trip home to be Best Man at his brother's wedding a long-overdue opportunity to reconnect with family and have a good time as well. He is still single and in all honesty, the man oozes sex appeal. Nick was crazy about Maggie, always had been and always would be. When he saw his son for the very first time, he knew exactly who Jason belonged to and what Maggie had done. He was furious at first, but came to realize that a good portion of the blame fell on him. If he hadn't been so stubborn years ago, things might have turned out differently, but Nick is also a realist. The past cannot be relived; it's the present and future that matter. He still loves Maggie and he means to have her, one way or another, and he intends to cure her of her bad habits along the way. As far as he's concerned, Maggie had gotten her way for far too long, and it hadn't served her well. Her children need a father and whether she knows it or not, she needs a husband who will provide guidance and love; he can be all that and more. Nick has no problem applying a firm hand or taking a wooden spoon to Maggie's adorable butt when she misbehaves, which seems to be quite frequently. Who would have thought one knock on her door would change everything forever?

From reader reviews:

Esther Ponce:

The book Little White Lies will bring one to the new experience of reading a new book. The author style to clarify the idea is very unique. In the event you try to find new book you just read, this book very appropriate to you. The book Little White Lies is much recommended to you to study. You can also get the e-book through the official web site, so you can quickly to read the book.

Abel Mulholland:

Playing with family inside a park, coming to see the sea world or hanging out with friends is thing that usually you have done when you have spare time, subsequently why you don't try point that really opposite from that. Just one activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love Little White Lies, it is possible to enjoy both. It is fine combination right, you still would like to miss it? What kind of hang-out type is it? Oh can happen its mind hangout men. What? Still don't obtain it, oh come on its identified as reading friends.

Richard Plummer:

Many people spending their time period by playing outside using friends, fun activity using family or just watching TV all day every day. You can have new activity to enjoy your whole day by reading a book. Ugh, think reading a book can really hard because you have to bring the book everywhere? It all right you can have the e-book, having everywhere you want in your Touch screen phone. Like Little White Lies which is getting the e-book version. So , try out this book? Let's view.

Lois Bottoms:

What is your hobby? Have you heard this question when you got learners? We believe that that issue was given by teacher on their students. Many kinds of hobby, All people has different hobby. And you also know that little person just like reading or as studying become their hobby. You have to know that reading is very important and book as to be the factor. Book is important thing to incorporate you knowledge, except your own teacher or lecturer. You see good news or update with regards to something by book. A substantial number of sorts of books that can you choose to use be your object. One of them is actually Little White Lies.
