Marie-Luise Friedemann

The Framework of Systemic Organization: A Conceptual Approach to Families and Nursing Marie-Luise Friedemann
Friedemann's theory of nursing - a theory centred primarily on the family - is here presented for the first time in its entirety. She presents a clear description of the *Framework of Systemic Organization*, validation of the concepts through existing research findings, and case studies that explore the use of the framework with families. The book guides the reader towards a concept of nursing that unifies theory, clinical expertise and research in seeking to advocate and support health and well-being in each individual and family.
