The North Carolina Atlas: Portrait for a New Century

The North Carolina Atlas: Portrait for a New Century
As North Carolina enters a new century, perhaps no southern state faces a more intriguing combination of challenges and opportunities. Changes in the state's economy, shifts in its population, and a widening breach between urban and rural areas are just some of the forces that are reshaping North Carolina at this pivotal time in its history.

The North Carolina Atlas will be an invaluable aid in any effort to better comprehend the past, present, and future of our changing state. Using text and more than three hundred maps, charts, and photographs, the book offers an in-depth yet accessible look at the state's physical environment, history, population, and economy as well as such other aspects of life as government, politics, education, health, culture, and outdoor recreation. Tracing the shifts and patterns that have made North Carolina what it is today, the book also forecasts where these and other trends are taking us in this new century.

From reader reviews:

Karen Arsenault:

Nowadays reading books become more and more than want or need but also become a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge the actual information inside the book that will improve your knowledge and information. The details you get based on what kind of guide you read, if you want get more knowledge just go with education and learning books but if you want really feel happy read one having theme for entertaining such as comic or novel. The actual The North Carolina Atlas: Portrait for a New Century is kind of guide which is giving the reader erratic experience.

Harold Houston:

People live in this new moment of lifestyle always aim to and must have the time or they will get lots of stress from both everyday life and work. So , whenever we ask do people have time, we will say absolutely indeed. People is human not only a robot. Then we consult again, what kind of activity do you have when the spare time coming to anyone of course your answer may unlimited right. Then do you try this one, reading guides. It can be your alternative in spending your spare time, the particular book you have read is The North Carolina Atlas: Portrait for a New Century.

Trina Durham:

Reading a book being new life style in this yr; every people loves to read a book. When you learn a book you can get a lot of benefit. When you read guides, you can improve your knowledge, since book has a lot of information upon it. The information that you will get depend on what types of book that you have read. If you need to get information about your study, you can read education books, but if you want to entertain yourself look for a fiction books, these kinds of us novel, comics, in addition to soon. The The North Carolina Atlas: Portrait for a New Century offer you a new experience in studying a book.

Cynthia Haynes:

As we know that book is essential thing to add our information for everything. By a e-book we can know everything we would like. A book is a range of written, printed, illustrated or even blank sheet. Every year had been exactly added. This e-book The North Carolina Atlas: Portrait for a New Century was filled in relation to science. Spend your extra time to add your knowledge about your technology competence. Some people has different feel when they reading the book. If you know how big benefit from a book, you can feel enjoy to read a book. In the modern era like at this point, many ways to get book you wanted.
