And much more!

Today, there is a strong demand for qualified pilots. But that demand is about to explode! In fact, the industry consensus is that we are on the verge of a serious pilot shortage. Boeing Aircraft has forecast the need for 466,000 new commercial pilots by 2029. An average of more than 23,000 new pilots each year. The airlines alone will need thousands of pilots each year. More than half of all airline pilots are above 50 years old. This means that nearly 50% of airline pilots will be reaching the mandatory retirement age over the next decade. So the time to get started on your career path is now!
