How To Study In College Seventh Edition Walter Pauk, Pauk

This classic text has helped over a million students turn adequate work into excellent work. *How to Study in College* details such study methods as visual thinking, active listening, concentration techniques, note-taking strategies, and test-taking techniques while incorporating material on life skills.

- The Seventh Edition includes an emphasis on life-long vocabulary development using the Word History System, which illustrates words through pictures on a page at the end of each chapter.
- Comprehensive coverage includes integrated and simplified presentation of study systems, giving more coverage to the Cornell note-taking systems, SQ3R, and the Questions in the Margins method.
