The Paris Effect K. S. R. Burns

Friendship, loss… and a tantalizing trip to Paris in this highly praised debut novel!

Amy and Kat had a plan: A secret trip to Paris. Even Amy's husband wouldn't know about it. But when Amy loses Kat, the "friend of her heart," to cancer, she knows the plan, too, has disappeared forever. Or has it?

Guided by memories of her friend and dissatisfaction with her own calorie-counting life in Phoenix, Amy sneaks off to Paris while her husband is away on a business trip. Once there, she's robbed, stalked, arrested and kidnapped (almost). Worse, she finds that her numerous issues have come right along with her.

Through her adventures, laced with luscious descriptions of food and Paris, Amy learns that often in life, love and friendship, nothing is exactly as it seems. Grab a croissant and settle in for a decidedly non-touristy trip to the City of Light.

Fans of Ella Carey's *Paris Time Capsule* and Allison Winn Scotch's *Time of My Life* will enjoy this touching and thoughtful story of self-discovery and second chances.

Author Interview

Why did you write *The Paris Effect*?

This is easy. I am a member of two book groups. We love talking about stories and characters, why we liked or didn't like a novel, what books and reading mean to us. I've done a lot of pondering about what makes a satisfying reading experience. Simply put, I wanted to write a novel that my book groups would enjoy reading and talking about.

What kind of story is *The Paris Effect*?

Reviewers call it an engrossing adventure that's both funny and touching. Literary types would probably say it's a coming of age story because the main character, Amy (who loves all things French, and is diet-obsessed and believes French women don't get fat), takes the first big risk of her life by running away to France, soon learning the truth of the expression, "Wherever you go, there you are." I call it a tale of self-discovery that for the reader doubles as a virtual mini-vacation to Paris, giving a unique glimpse of Paris life.

Many books have been written with Paris as the setting. What sets yours apart?

Who doesn't like a Paris love story? For many of us, Paris is the ultimate romantic dream destination. And don't get me wrong—Paris is truly as romantic as it's cracked up to be! But it's also a multilingual, multinational metropolis of street hustlers, diesel fumes, puddles of pee, and pickpockets. Amy encounters all of these and more, including some wonderfully kind strangers. She gets to know a Paris that few casual tourists ever see. And so will you. Thanks for reading!

From reader reviews:

John Jacquez:

The book The Paris Effect can give more knowledge and information about everything you want. Why must we leave a very important thing like a book The Paris Effect? Several of you have a different opinion about publication. But one aim which book can give many information for us. It is absolutely suitable. Right now, try to closer with the book. Knowledge or info that you take for that, it is possible to give for each other; it is possible to share all of these. Book The Paris Effect has simple shape but the truth is know: it has great and large function for you. You can look the enormous world by wide open and read a e-book. So it is very wonderful.

Frank Ouellette:

Nowadays reading books are more than want or need but also work as a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book that improve your knowledge and information. The info you get based on what kind of e-book you read, if you want send more knowledge just go with education books but if you want really feel happy read one with theme for entertaining like comic or novel. The actual The Paris Effect is kind of publication which is giving the reader unforeseen experience.

Casey Reeves:

Are you kind of busy person, only have 10 or perhaps 15 minute in your moment to upgrading your mind ability or thinking skill possibly analytical thinking? Then you are experiencing problem with the book as compared to can satisfy your short space of time to read it because all of this time you only find guide that need more time to be read. The Paris Effect can be your answer as it can be read by you actually who have those short free time problems.

Lyndsey Lafferty:

Reading a book to become new life style in this yr; every people loves to learn a book. When you go through a book you can get a large amount of benefit. When you read ebooks, you can improve your knowledge, simply because book has a lot of information into it. The information that you will get depend on what forms of book that you have read. If you would like get information about your research, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, this sort of us novel, comics, and soon. The The Paris Effect will give you a new experience in examining a book.
