When life gives you so much, why does it always take something else away?

When Ryker Montgomery saves her from certain assault, she's thrust into his life of crime. Hooking up with the president of Hell's Warriors might be exciting, but it might be too dangerous for Margot to handle.

In desperate times a girl will do desperate things, and Margot turns to Ryker's twin brother Quinn for comfort. The billionaire CEO of the family's empire, he's everything she wanted from Ryker and more.

An unexpected twist places her in a position where she is forced to choose between the two brothers.

But what happens when she can't?

Besides, who ever said you *had* to choose?
