750 Years in Paris

A literary graphic novel unlike anything else on the racks, *750 Years* tells the story of our time, focusing on one single building in France as it sees its way through the upheavals of history. Beginning in the thirteenth century and making its way towards today, this historically accurate story is the eagerly anticipated debut from Vincent Mahé.

Vincent Mahé is fast being established as one of the most exciting illustrators to come out of France. As well as his contribution to *Nobrow 8: Hysteria* he has been widely commissioned across the world to illustrate for publications such as the *New York Times* and *XXI Magazine*.
