Blood Wolf Dawning (Bloodrunners Book 7) Rhyannon Byrd

If this was what falling for someone did to a person—what craving them felt like—then Sayre Murphy wanted no part of it…

Ever. She might be young and inexperienced, but she was a woman. And she had finally had *enough*! Cian Hennessey might be the most magnificent, infuriating, arrogant male she had ever known. But the tall Bloodrunner treated her as if she were nothing more than a child, making it painfully clear that despite whatever connection they shared, he'd never see her as an adult female. After disappearing from her life for five years, the werewolf was back, claiming that she was in serious danger and must drop everything to go with him immediately.

Cian was as deadly as he was beautiful. But the young witch knew he would never cause her physical harm. The safety of her heart, however, was a different matter…

A Wolf Shifter Romance.
