Freedom and Security: An Introduction to the Basic Income Debate T. Fitzpatrick
A basic income would be an income paid periodically and unconditionally to every man, woman and child as a fundamental right of citizenship and without reference to employment, marital and household status. It would be a means of ensuring the twin objectives of freedom and security for all. This book provides an introduction to the basic income debate, examining a range of arguments for and against, and so will be of interest to anybody concerned with the future direction of the welfare state.
