This work: Glass Apple—a Toast to the Reality of Life and Truth is about the lessons I have learn't in life: all the lessons of life with its Adventures and Conquests, Battles and Victories, De-motivations and Motivations, Pains and Joy, Moments of Sadness and Hope. All life valuable lessons can be read in every line of this work.
Wouldn’t you agree with me that we have gathered much inside us - be it be negative pains or positive joys- and need our incredible skills and talents in using these negative pains and positive joys in constructively shaping and imparting our generation? Well, we’ve been born and so it remains for us to use all we’ve learn't and gathered through life to better our own lives and help people around us who are struggling as we are or as we have to stand . . . Some of the piece here are adapted from my earlier work: “Poetic Memoirs of a Young Son”
