Perilous Cargo (Executioner) Don Pendleton

HIDE-AND-SEEK

The Himalayas become a deadly hunting zone when a nuclear warhead is stolen from a black-market warehouse in Kathmandu. Knowing the incident could start World War III, the President sends Mack Bolan and a CIA operative to retrieve the weapon in the treacherous border region between Tibet and Nepal.

But the U.S. isn't the only country in the search. Bolan and his ally are up against cunning Chinese and Russian assassins, and several local warlords are vying for the valuable nuke, as well. These competing parties are determined to reach the weapon first—no matter how many witnesses they eliminate on the way. With few alternatives and the trail of innocent blood growing longer, Bolan accepts the help of an old spy. But can he be trusted? With the harsh mountain terrain working against them, the Executioner will need to rely on his wits to win this race…because coming in second is not an option.
