The New Bill Of Rights Revolution Jeff Badyna
Corruption happens in America when corporations flood billions into campaigns of Democrats and Republicans to effectively buy off both political parties. This is a major Constitutional crisis where Human Rights are taking a back seat to greedy corporations. Despite We the People's Right to address serious situations with Constitutional Amendments, NOTHING CHANGES! The New Bill of Rights Revolution is about addressing serious corruption. It's about taking power from corporations and bought off politicians and rightfully restoring power back into the hands of We the People. It is urgent for us all to change the current political process. We the People must stand for our Rights for sound money, a balanced budget, fair taxes, and the Right to have our tax dollars spent on We the People instead of bailouts of greedy corrupt corporations. Please buy and read the New Bill of Rights Revolution to arm yourself with some powerful ideas to restore Freedom to America.
