Dolphin Riders

Michael J. Ganas

Dolphin Riders Michael J. Ganas
Eight years have now passed since former Navy Seal Jake Javolyn met up with Destiny and the pod. Their dream to construct Aquaria, a first of its kind sea colony that produces vast amounts of cheap, environmentally clean energy and protein-rich food staples from the ocean is now nearing completion. They have taken an otherwise barren sector of ocean and turned it into an oasis of life, with the potential of ending the use of carbon-based fuel sources once and for all and reversing the damage such reliance has inflicted on the earth. But a shadowy cabal of ruthless global elitists are out to take control of the prospering colony and will stop at nothing to make that happen, including using the United Nations to end the threat it poses to their insidious financial interests. Allied with a newly evolved species of super-dolphin, Destiny, Jake and the colony must fight back if they are to survive. As in the award winning prequel, The Girl Who Rode Dolphins, the sequel will mesmerize readers with explosive, heart-pounding action that will keep them on the edge of their seats and turning the pages in rapt fascination until the very end. This novel is guaranteed to open the eyes of readers, causing them to re-examine the world around them and ask the question, “Are we being manipulated?”

From reader reviews:

Brian Bauer:

Book is to be different for every grade. Book for children right up until adult are different content. We all know that that book is very important usually. The book Dolphin Riders was making you to know about other know-how and of course you can take more information. It is very advantages for you. The reserve Dolphin Riders is not only giving you a lot more new information but also for being your friend when you sense bored. You can spend your spend time to read your publication. Try to make relationship while using book Dolphin Riders. You never truly feel lose out for everything in the event you read some books.

James Soltero:

This Dolphin Riders book is not ordinary book, you have after that it the world is in your hands. The benefit you get by reading this book is usually information inside this e-book incredible fresh, you will get data which is getting deeper an individual read a lot of information you will get. This particular Dolphin Riders without we know teach the one who looking at it become critical in considering and analyzing. Don't become worry Dolphin Riders can bring once you are and not make your case space or bookshelves' grow to be full because you can have it with your lovely laptop even telephone. This Dolphin Riders having excellent arrangement in word as well as layout, so you will not sense uninterested in reading.

Melvin Robinson:

Spent a free a chance to be fun activity to try and do! A lot of people spent their sparetime with their family, or their very own friends. Usually they performing activity like watching television, going to beach, or picnic inside the park. They actually doing same task every week. Do you feel it? Do you need to something different to fill your own personal free time/ holiday? Might be reading a book may be option to fill your cost-free time/ holiday. The first thing you ask may be what kinds of publication that you should read. If you want to try out look for book, may be the reserve untitled Dolphin Riders can be good book to read. May be it is usually best activity to you.

Donnie Ned:

Beside that Dolphin Riders in your phone, it might give you a way to get nearer to the new knowledge or info. The information and the knowledge you are going to got here is fresh through the oven so don't possibly be worry if you feel like an older people live in narrow small town. It is good thing to have Dolphin Riders because this book offers for you readable information. Do you often have book but you seldom get what it's facts concerning. Oh come on, that would not happen if you have this in the hand. The Enjoyable agreement here cannot be questionable, including treasuring beautiful island. Use you still want to miss the item? Find this book in addition to read it from right now!
