My Mom's Letters from Heaven Gerry Klassen
This is not one of those books about heaven that will make you question whether you will get there. The next life is no mystery-there are people in heaven, some of the same people that were here on earth. While physical forms change, personalities and characters remain for eternity. Soon after his mother died, Gerry Klassen found himself writing a letter from her perspective... and the letters just kept coming. She shares all about the hilarious episodes and different scenarios that make her able to connect with every kind of person imaginable, from Roman soldiers to famous leaders of the Bible to Jesus Himself. She gives her son a heavenly perspective that makes him realize... there's nothing going on down here that God's love cannot bring to a perfect and peaceful conclusion up there.
