What could we possibly still have in common after four years…? Except the baby I never told him about.

I haven't seen my best friend's sexy older brother, Sean, since I turned eighteen. Now he's rich. He's powerful. He's the best baseball player in the game. And I was sure he'd forgotten all about me until he showed up at my job…

The last time I saw Sean, I ended up pregnant. He still doesn't know, and I'm not going to tell him. But when he stares at me with those piercing blue eyes and wraps his toned, tanned arms around me, my brain forgets how to think.

All my old feelings for him are coming back. **But is it too late?** What will he say when he finds out about Sara? I can't let him leave again… but how can I make him stay?

AUTHOR'S NOTE: This is a stand-alone story with an HEA, so no cliff-hangers! The story contains mature themes and language, and is intended for 18+ readers only.
