Where The Angels Are Wilkes Fountain Mr
Designed with a 1980's vibe. Stacy was born with all the gifts of life just handed to her, but she wanted more, she wanted to chase a dream, but what price is she willing to pay in order to have her dreams come true. This is a story of love, true friendship, and the power of a child's laughter, but most of all it's a story about morals and what's important in life. This is a book an adult can read as well as their teenage children. The story has no cursing or wild sex in it (story does have a kissing part). The story is designed to be an easy read with multiple layers.
