"Mom, Dad, I'm gay." When a parent hears these words, the initial shock is often followed by feelings ranging from anger and denial to fear and guilt. It's also the beginning of a difficult journey that, with understanding and emotional support, can lead to acceptance and beyond.

Now fully revised and updated, *Beyond Acceptance* by co-authors Carolyn W. Griffin, Marian J. Wirth, and Arthur G. Wirth remains a ground-breaking book that provides parents the comfort and knowledge they need to accept the gay children and build stronger family relationships. Based on the experiences of other parents, this book lets them know they are not alone and helps them through the emotional stages leading to reconciliation with their children.
