Patriarchy Jon Quinn
The Divine Principle is the basic theology of Sun Myung Moon. The Principle teaches God's providence-His plan for mankind. We learn how God has worked in human history to bring the Messiah who will teach us how to build the Kingdom of Heaven on earth. After we hear the Divine Principle and accept its perfect logic and truth, the first thing we asked is: What do I do now? How do we build an ideal world? The book Practical Plan for World Peace: Unificationism-The Teachings of Sun Myung Moon by Jon Quinn answers those questions. God has revealed the laws of the universe that we are to live by. These principles are absolute. When everyone accepts and lives the absolute values for the individual, family and society then God's dream of a happy, harmonious one-world family will come true. One of those key principles of God is patriarchy. Patriarchy is the belief that men lead, provide, and protect women. The book Patriarchy by Jon Quinn shows that this core value of God must be restored so that mankind find true happiness instead of the heartache and pain that this hurting world experiences from the ruling ideology of feminism.
