The Odor of Sanctity Joseph Roccasalvo
A priest, Jewish convert, and practicing psychiatrist, Peter Albright is called to make Final Vows in the Jesuit Order. What happens when he learns his grandfather, murdered at Auschwitz, has left him a fortune in an anonymous, unnumbered Swiss account is the heart of this timely novel. Should Peter pursue his fortune and how? His major clues are the odors of scented stationery. His major complication is the perfume expert, a beautiful woman offering help, then falling in love.

Religious commitment and the lure of millions, romantic love and the call to priesthood all play out against the terrible odds of dead ancestors and the Holocaust remembered. The reader is drawn to these conflicts as though to fireworks where explosions displace one another, each more dazzling than the last. How Peter decides makes THE ODOR OF SANCTITY not only a suspenseful page-turner but a study in heroism.
