Malice Series: BOOK THREE

Tristan and Samara have been best friends since they were kids. Somewhere along the way that friendship turned into something deeper. Sam knew Tristan better than anyone. But as it turned out, she didn't know him as well as she thought she did. Now that Tristan's secrets are out—and he's embraced his magic—there should be nothing standing in their way.

But in the small town of Granite Falls, where magic abounds, life is never simple.

The Council is out for revenge.

So is Tristan's father.

Sam, Tristan, and their friends just might get swept away in an age-old magical battle. A battle where the "good guys" might not be so good.
