elements of agapao (Volume 1) (Venda Edition) Sabrina D Cates
my strength exists in my unfaltering ability to love for an eternity. i do not exist in only one world, i exist in the world of every person i meet. all these lives i dip into are just as beautiful as my own, and if i happen to fall in love with you, then i will always cherish the life you're creating. my molecules honor the molecules in you and they don't stop simply because i don't see you. this book will deeply explore and express from my own personal experience, the one and only true infinite thing, love. may it spark the mind that will change the world or inspire a soul to dig into its depths as it finds the meaning and purpose of "unconditional love" that is so desperately being searched for.
