“I want you to do whatever you want with me. I want you to tie me as tightly as you want, make me as vulnerable as you want, and take me in as many positions as you can think of. I can handle it. I will handle it. I will beg you for it if I have to. But I want you, and I want you now.”

Fresh out of college and with little in terms of job prospects, Tracy acts on a recommendation from her roommate and takes a job at a local **BDSM** shop. She's hardly ever had sex before, much less worked at a sex shop, so she's nervous.

But there's something just under the surface in Tracy, and she knows it's likely to come up: She's deeply obsessed with **bondage and submission**. She yearns for someone to **show her the ropes**.

Luckily, her fellow employee Brett seems up to the challenge. But can Tracy conquer her sheepish nature and make it work with him? Can she get what she's looking for?

This **short erotic romance** features plenty of **bondage, male domination, female submission, and much, much more**. Enjoy!
