The Big Book of Bird Houses & Bird Feeders Thom Boswell, David Schoonmaker, Bruce Woods
Big, beautiful, and filled with breathtaking photographs and unique projects, this is one book every bird lover simply must have.

It’s got everything, from design considerations to construction basics to a jaw-dropping assortment of feeders, baths, and houses to make. Information on the planning stages explains how to choose the right home for a particular bird, discourage unwanted guests, and mount and site the piece. There’s advice on feeding habits, too, but the main feature is the incredible projects, which will delight humans as much as our feathered friends. They include a charming Dutch Treat home with a windmill; a Cuckoo Condo; a rustic Bird Cage Feeder made from grapevines; and even a swimming pool complete with diving board.
