To Everything There is a Season Amara Cudney
Stories of violence and racism have been coming one after the other in the news. The escalation of hate, polarization and violence has struck a chord in me. As a writer, I've been moved emotionally. This book, which I often refer to simply as, Simone, came to me in a dream and at the end of the day, the story was written. My husband cried when he read it, so I knew I had done something.

Racism in America is alive and well. You have to ask yourself, how could it be? We live in a well educated, diverse landscape and yet, just the tiniest, so tiny you wouldn't believe it, part of our DNA determines the color of one's skin and has created the gap between us that has grown, not healed.

I think this story came to me so furiously because each time one of these crimes was committed, the media created a frenzy and made the perpetrators famous. I decided to research one of their lives and so Chase was born. I searched to answer the question-'Why?'
You'll recognize him, I'm sure.
Enjoy this story. I hope it moves you.

With love,
Amara
