Venus In Furs

Leopold Von Sacher-Masoch

Venus In Furs Leopold Von Sacher-Masoch
British 'femdom' artist Sardax has now illustrated this famous novella with over 10 sumptuous paintings and published it together with a completely new translation

First published in 1870 , Venus in Furs is a classic romance of tragic eroticism depicting the intense adoration for Wanda of Severin who desires to become her slave, and their developing relationship which reaches a very surprising conclusion.

Born 1836 in Lemberg in the Austro-Hungarian empire (now Lviv in Ukraine), Sacher-Masoch was a very popular writer of German fiction, often short stories depicting the types of regional characters of his day, but Venus in Furs remains his most famous and significant novel, one of very few translated into English and other languages, and still in print today. The author has had the singular fame -or notoriety, along with De Sade, of having his name applied by Krafft-Ebing in Psychopathia Sexualis to the sexuality which he so famously depicted in Venus in Furs.The book has become an icon and been turned into movies, plays and television.
