Ion Mihai Pacepa - Disinformation Set (Book & DVD) - Disinformation: Former Spy Chief Reveals Secret Strategies for Undermining Freedom, Attacking Religion, and Promoting Terrorism Ion Mihai Pacepa, Ronald Rychlak
The highest-ranking Soviet bloc intelligence official ever to defect to the West, Lt. Gen. Ion Mihai Pacepa is at it again. A quarter century ago, in his international bestseller Red Horizons, Pacepa exposed the massive crimes and corruption of his former boss, Romanian President Nicolae Ceausescu, giving the dictator a nervous breakdown and inspiring him to send assassination squads to the U.S. to find his former spy chief and kill him. They failed. On Christmas Day 1989, Ceausescu was executed by his own people at the end of a trial whose accusations came almost word-for-word out of Red Horizons. Today, still living undercover in the United States, the man credited by the CIA as the only person in the Western world who single-handedly demolished an entire enemy espionage service--the one he himself managed--takes aim at an even bigger target: the exotic, widely misunderstood but still astonishingly influential realm of the Russian-born science of disinformation. Indeed, within these pages, Pacepa, along with his co-author, historian and law professor Ronald Rychlak, expose some of the most consequential yet largely unknown disinformation campaigns of our lifetime. Here the reader will discover answers to many crucial questions of the modern era: Why, during the last two generations, has so much of the Western world turned against its founding faith, Christianity? Why have radical Islam, jihad and terrorism burst aflame after a long period of apparent quiescence? Why is naked Marxism increasingly manifesting in America and its NATO allies? What really happened to Russia after the Berlin Wall came down? Like the solution to a giant jigsaw puzzle lacking one crucial piece, Disinformation authoritatively provides the missing dimension that makes the chaos of the modern world finally understandable.
