Mary Doyle Ph.D.

The Paraprofessional's Guide to the Inclusive Classroom: Working as a Team, Third Edition Mary Doyle Ph.D.

With the rising demand for paraprofessional training and the requirements for highly qualified personnel in every classroom, it's the perfect time for a fully revised third edition of this popular, activity-packed workbook. Carefully updated throughout with **timely, engaging new material**, this interactive guide helps teachers and paraprofessionals work together to create the most effective inclusive classrooms. Collaborating on creative and enlightening activities, teachers and paraprofessionals will learn how to

- work more effectively with students who have a variety of disabilities, including autism
- clarify their roles and responsibilities
- provide individualized curricular and instructional support for each student
- improve communication among members of the educational team
- use positive behavioral support to successfully address behavior challenges

A must-have new edition of a book that's sold more than 10,000 copies since 1997, this research-based and user-friendly workbook will help paraprofessionals and teachers work toward their common goal: creating classroom and school communities that welcome and support all students.

What's New

new chapter on team communication and confidentiality
