Death: The Great Adventure Alice A. Bailey
Death: The Great Adventure is a compilation of extracts from the 24 books of esoteric philosophy by Alice A. Bailey. With widespread publicity concerning the near death experience, many people are now searching for a deeper understanding of death and the process of dying. Esoteric teachings on the subtle bodies and their interrelationship have much to offer to those pondering on and researching the mystery of death. The extracts contained in this book, taken as seed thoughts or ideas for reflection, will help readers to clarify their own ideas and attitudes on this important subject. One quote from this book states: This, our present cycle, is the end of the age, and the next two hundred years will see the abolition of death, as we now understand that great transition, and the establishing of the fact of the soul's existence.
