Thomas Jefferson Education for Teens (The Leadership Education Library Book 4) Oliver DeMille, Shanon Brooks
From the Introduction:
“It is said that when God wants to change the world, he sends a baby–perfectly timed to grow, learn, prepare and then take action at the right moment.

“But there are times when one baby won’t suffice, when the challenges facing the world are just too great; and so instead of a great reformer or a few key thinkers, what is needed is a whole generation of leaders.

“This happened in the sixth century B.C. and in the first decade of the Common Era, then again in the American Founding generation.

“We believe it is happening again today….”

This latest addition to the TJEd library is written to youth and adults wanting to accomplish a successful Scholar Phase–academics, personal development and mission preparation.
